Shops, 25398 Jeans Road, Veneta, OR 974

We accept households from outside Lane County and all businesses must pre-register and pay for disposal costs, call (541) 682-4120 for more information.

What to bring:

Bring paint, household cleaners, lawn and garden chemicals, car care products, arts and crafts products, and just about any other household hazardous waste. Check labels for words like **flammable**, **corrosive**, **poison**, **caution**, and **danger**.

Don't bring:

Empty containers, radioactive waste, asbestos or explosives. Any empty containers can be safely thrown in the trash. For information about disposal of radioactive waste, asbestos and explosives, call Lane County Waste Management Division at 682-3828. Also, Lane County accepts sharps, oil, antifreeze and batteries of all types year-round at all refuse disposal sites. **Call 682-4120 for more information.**

What about hazardous waste from businesses?

Businesses which generate small amounts of hazardous waste may **pre-register** to bring that waste to this event. Businesses must pay for disposal of the waste, but most can save money by using this program, rather than hiring a contractor on their own. For more information about this program, call Lane County Waste Management Division at 682-4120.

What About Latex Paint?

Latex paint is the most common item received at Hazardous Waste Roundups – but it isn't a hazardous waste! Buy only what you need, use up leftover paint, offer it to neighbor.

Electronics Recycling

Televisions and computer monitors contain 5 - 10 lbs of lead and small amounts other hazardous substances and should be recycled. Electronics consist of multiple materials that are dismantled, sorted and transported before they are recycled. Up to seven (7) Covered Electronic Devices, CEDs, can be recycled for free at any one time. CEDs include: Televisions, Computer monitors and CPU's, Laptops. Other items such as, large copy machines, cell phones, VCRs, stereos, telephones, DVD players, printers, typewriters, fax machines and video games. We collect E-waste at these sites Glenwood, Cottage Grove, Florence, Veneta and Vida.
