What to bring:

Bring paint, household cleaners, lawn and garden chemicals, car care products, arts and crafts products, and just about any other household hazardous waste. Check labels for words like **flammable**, **corrosive**, **poison**, **caution**, and **danger**.

Don't bring:

Empty containers, radioactive waste, asbestos, explosives or electronics. Any empty containers can be safely thrown in the trash. For information about disposal of radioactive waste, asbestos and explosives, call Lane County Waste Management Division at 682-3828. Up to seven (7) Covered Electronic Devices, CEDs, can be recycled for free at any one time at these 5 Lane County sites; Glenwood, Cottage Grove, Florence, Veneta and Vida during normal operating hours. Also, Lane County accepts sharps, oil, antifreeze and batteries of all types year-round at all refuse disposal sites. **Call 682-4120 for more information.**

What about hazardous waste from businesses?

Businesses which generate small amounts of hazardous waste may **pre-register** to bring that waste to this event. Businesses must pay for disposal of the waste, but most can save money by using this program, rather than hiring a contractor on their own. For more information about this program, call Lane County Waste Management Division at 682-4120.
