DETAILS: The Lane County Sheriff's Office is seeking help from the public in locating a subject involved in a Felony Elude from March 6, 2008. On Thursday March 6, 2008 a Deputy made contact with a male subject in the Joshua Sand Dunes north of Florence for an off-road violation.

During the contact the Deputy determined the motorcycle the subject was riding was stolen. As the Deputy moved towards the subject to apprehend him, he fled on the stolen motorcycle east through the Sand Dunes. A pursuit was called and the motorcyclist lost the Deputy in the Dunes. Deputies recovered the stolen motorcycle later in the day in some brush behind a residence along Highway 101 near Friendly Acres Road. Deputies returned the stolen motorcycle to its owner. Deputies are also investigating several other motorcycle and ATV thefts from the Florence area.

The investigating Deputy recognized the subject who eluded him on the motorcycle to be Robert Dare Holden, DOB 05-14-70. Holden also uses the alias of "Spike". Holden is listed as a transient through his local record. The Lane County Sheriff's Office has probable cause to arrest Holden for the Crimes of Felony Elude, Theft II and Unlawful Use of a Motor Vehicle. Anyone with information about where Robert Holden can be located is encouraged to contact the Lane County Sheriff's Office anonymous tip line at **(541) 682-4167**. This investigation is on-going.
