DATE/TIME OF INCIDENT: 07/22/07 Early Morning Hours

DATE/TIME OF RELEASE: 07/22/07 3:55 PM

NATURE OF STORY: FATAL TRAFFIC COLLISION

LOCATION: Marcola Road near MP 7

**INVOLVED: Stanley Bruce Bradley
DOB 01/17/59
Marcola, OR**

DETAILS:

The Lane County Sheriff's Office responded to a single vehicle traffic collision on Marcola Road near Mile Post 7.

Responding personnel found the 1980 Yamaha SX1100 motorcycle operated by Bradley had left the roadway and hit a utility pole. He was pronounced dead at the scene.

This morning just before 6:00 a.m. friends of Bradley contacted the Sheriff's Office. They advised Bradley was supposed to go fishing with them on Sunday morning, but was not home when they stopped by his house in Marcola.

After talking with Bradley's roommate the friends realized he never made it home the night before. Bradley left a friend's house in Springfield late Saturday night.

Preliminary investigation lead Sheriff's Deputies to believe fatigue may be a factor in this collision. Bradley was wearing a helmet. The collision is being investigated by the Sheriff's Office Traffic Safety Team.
